

Round Table Discussion:

"The Stories Behind the Medicinal Chemists in Industry"

Panelist:

Dr Fabrizio Micheli (Evotec, Italy)

Dr Fabrizio Micheli is currently VP, Medicinal Chemistry 1 department at Aptuit (an Evotec company), Verona, Italy. He is an experienced medicinal chemist with more than 30 years' expertise. He currently leads 3 labs in his department with an overall group of about 45 people.

He also leads several integrated projects for different clients.

Prior to joining Aptuit/Evotec in 2010, Dr Micheli was Head of Medicinal Chemistry 1 in GSK Neurosciences CEDD where he also served as "programme leader" for many years discovering multiple pre-clinical candidates reaching clinical studies.

Dr. Micheli is currently a member of the executive board of the Medicinal Chemistry Division of the Italian Chemical Society (SCI).
